¹ We are thankful to Olivier Mertens (Artemorial) for his research into the wax seal on the reverse of the present panel, which depicts the double coat of arms of the Keglević de Buzin family and the Hungarian noble family Zichy de Zich et Vásonykő. In all probability it concerns the wax seal of Clara Maria Theodora Paulina Anthonia Ilona Josepha countess Zichy de Zich et Vásonykő (1883-1971), daughter to count József Zichy and Ilona princess Odescalchi, who in 1907 married István (Stephan) count Keglevich de Buzin (1880-1962), the son of count Gábor Keglevich de Buzin and Klementina Blaskovich de Ebeczk. Artemorial report available on request.
